

1st WW National championships

Bulletin 3

Entries.

Please submit your entries NOW. You do not need to pay up front, but we need to know your intention to attend. It will also give us time to forecast our stores and requirements.

Covid-19

Whether we like it or not Covid will be with us for some time to come. The lockdown in Victoria does not help and is currently restricting entries to the coming championships. **If the lockdown continues and you have paid your fees and a lockdown prevents your attendance you will be refunded your entry.**

This national championship is not just for those who wish to compete and win a trophy. It is also a time when you can catch up with friends. At the recent MAAA annual conference no other state was willing to put up a proposal to hold a national championship so this is your last chance for at least a year. If you pay your admin fee you will be entitled to fly for fun or practice. Just speak to the CD in each area.

Catering

I am hoping to have a mobile catering truck to service our needs at the AB field during the championships. I will provide more information on this a bit closer to the event. I will arrange for the kitchen to be open at McAllister oval.

MAAA Fees for NSWFFS

Don't forget to pay your MAAA fees they are due before the competition. NSWFFS fees total \$120 for the year. This includes MAAA fees.
