***All Aeroflyte Day***  
***Sunday, 14 October 2018***

***Where?***

Mitchell-Hill Field, New England Highway, -- approx. 6kms south of  
Muswellbrook NSW, -- approx. 1km. south of Muscle Creek Road

Due to the resurgence of interest in Aeroflyte models of late we are holding a fun fly event for Aeroflyte models only, so dig out your old models (or build a new one), and join us for a nostalgic look into the past of aeromodelling – most of us started in the sport by building and flying these simple to build yet delightful aeroplanes, but even if you didn't, build one and come along (most designs can be built in under three days!)
