May 2018

Our Bruce on his way to
maxing out at the National's

Minutes of General Meeting 16th March 2018

Meeting opened: 7.32 pm President Terry Bond in the chair. The venue again was Dundas Sports Club. Hopefully this will be our permanent venue.

Present: Barry Lee, John Pennells, Roy Summersby, Tahn Stowe, Terry Bond, Reg Towel, Lyn Towell, Peter Scott, Gail Scott, Gary Pope Geoff Potter, Bruce Hao, Gary Whitten.

Apologies, Jim Christie, Matt Hannaford, Peter Jackson, Ed Mahoney, A Mahoney, Wally Bolliger, Jacko, Jim Christie, Isaac Li,

Minutes of previous meeting: Accepted as a true record moved by Mike Towell sec John Pennells

Business Arising: None
Only National's were discussed.

Correspondence in/out:
Flypaper January, February issues, MAAA, CIAM, and May Conference Letter to Carl Bizon wishing him well in his new USA job.

Treasures Report 1st Jan – 28th Feb 2018

Moved and accepted Peter Scott, sec Gary Pope
Opening Balance 1st Jan 2018

1) CBA Acc No 229300901281	\$9486.73
2) CBA Acc No 233610409062	\$1502.12
Total	\$12676.73

1) CBA Deposits	\$6489.50
1) Payments	\$1502.12
2) CBA Deposits	\$26537.00
2) CBA Payments	\$5200.00

Balance @ 28/2/18 CBA 1)	\$14474.11
Balance @ 28/2/18 CBA (Nat's)	\$34927.00
Closing Total Balance	\$49401.11

General Business. Report on the 9th-11th March working bee at West Wyalong. A lot was done in these few days in preparation for the National's. Many thanks to those that went all worked hard. We will have another working weekend on the 6th-8th April for a final tidy up. This falls on the Big Kev's day at Richmond. We have now moved Big Kev's day to the 13th May.

The NSWFFC is applying for a club grant for two containers to house museum goods and NSWFFS machinery.

Roy was advised to attend the MAAA conference in May
Roof Fund is now finished but goods can still be donated and Roy and these will be placed on eBay;
monies will be directed to improvements at West Wyalong.

John Pennells has volunteered to chase up friends of West Wyalong (FoWW) and passed MAAA members.

Matt Hannaford's package deal on the chain saw has been completed.

All boxes from museum have not been opened at this stage. This we hope to do before the Nat's.
Some boxes contain plaques and past awards which need to be saved and displayed,

Tahn spoke at length on how the National's preparations were going, quite a few questions were asked and all seems to be going very well.

Meting closed 9.14pm

The House ready for the 70th Nats BBQ

Editorial May 2018

Hi Team, The best thing to happen in aero modelling in the last 40 years and I missed it. As a result of some surgical intervention I missed the 70th nationals. More than 260 entries, 500 plus visitors to the town of West Wyalong finishing with a brain snapping 'Bush Tucker' spit for 210 people at the AB field on 28 Apr. At last I have heard the acclamation that a centrally located nationals is the way to go. I truly cannot remember a nationals so closely centred where all the venues were within 15 minutes of each other.

These nationals would not have been held except for the foresight and drive of Tahn Stowe. He had a vision, enthusiasm and stayed the straight and narrow. As the nationals coordinator he did an amazing amount of work contacting groups and encouraging them to participate. His committee members Gary Pope (registrar) and Gary Goodwin (treasurer) also did an enormous amount of work to ensure success. Preparation of the AB field was managed by Roy Summersby with the assistance of many others in our fraternity; there are too many to name.

All of the work and improvements we have completed and installed at the AB field have been utilised. The caravan and camping area was a huge success with 55 campers plus children using the area in and around the amenities block all the way to the shearing sheds. I hope we have some photos for posterity and publicity. I understand that more improvements will be necessary for the next one.

Liaison with the Bland Shire council was managed mostly by Jeff Stein and the council was incredibly helpful with additional venues within the town and at the local airport. By all accounts the nationals was a huge success for the town and apart from bringing people it brought enthusiasm for aero modelling. Since the end of the nationals an expression of interest has been forwarded to the Regional Sport Infrastructure Fund to try to access funds for future events in West Wyalong.

At our next meeting Roy will be absent attending the MAAA annual conference in South Australia. Gary Pope will also attend this conference in his executive position as treasurer. There will no doubt be significant discussion about the huge success of the nationals and future nationals.

Richmond has been very quiet lately with the exception of the state champs scramble held on 25 Mar. We have new blood; and enthusiastic runner and builder Aaron Booth (1042) smashed the field by about 200 seconds above Karl Mattas (820), Peter Scott (780), Gary Goodwin (708), and Tahn Stowe (567). It was a significant win for Aaron who has been beating on the door for some time. I also heard that his model on the night scramble at the nationals was the brightest easiest seen on the night.

That's about all folks. Just remember that free flighters keep them up longer.

Terry Bond
President NSWFFS

Next Meeting 18th May 7.30pm

Dundas Sports and Recreation Club is the venue for this coming meeting. We have booked a room here for all the meetings this year. It is at 9 Elder Rd, just off Kissing Point Rd Dundas. The club has a Chinese Restaurant which we can make use of, very handy for those of us who have to travel.

No doubt at this meeting there will be a lot of discussion on how good the National's were. Tahn and Liz did a magnificent job; I have only heard good comments, well done, Liz and Tahn.

AB Field

The second working bee was held a couple of weeks prior to the Nationals. Three of us travelled down and accomplished what was needed. On top of this George Bishop spent quite a bit of extra time there painting the outside, making the house a picture from the days when we first acquired it. A BIG thank you George. If you have goods that you think would be useful at WW please check with Terry or myself to see if we need them, as we don't want to double up on items we might not need.

Nationals Social B-B-Q

This following paragraph was from the last newsletter.

Judging by the numbers these Nat's are going to be big there are 140 booked in for the Social B-B-Q which followed straight after the night scramble. This is our baby and we must get it right. In the past many Nat's B-B-Qs have been a disaster, our chef can cook the food but we will require helpers on the night serving etc. so you might get asked to step in and help.

Our numbers were wrong in a big way, by the night before, we had 209 tickets sold and had to put a stop on selling more. A panic phone call from me to Chris Bush and he fixed the problem. That was after many words I didn't understand and turned my phone a bright red. More meat, more veg, and another forty more metal knives and forks to buy, wash and roll in a serviette (no plastics for us) another cooker etc, etc, and we were in business. We ran like a Swiss watch, started on time and had everyone fed in the hour. The meat didn't run out but was very close. Veggie's were in abundance and were to die for, well done Chris and all those that helped him.

I had donated a set of National's badges to be raffled in the days prior to the social night; this was drawn on the night and won by Leigh Morgan from Victoria. Leigh has kindly donated them to the AB field. I will frame them and they will hang in the house, thank you Leigh. Also, in the house, and on the mantel shelf, is Adrian Bryant's first engine, I couldn't bring myself to sell it for the roof fund so I have mounted in a sealed acrylic box. Adrian was quite pleased to see it sitting there.

As normal for our West Wyalong B-B-Qs a huge bonfire was built, providing great ambiance for what must go down as being the best Nat's social night in memory. (They don't have a good reputation). The only down side was that people did not read their information sheets and left their chair and wine glass at home.

Nat's Camping on the AB field.

I had asked that they contact me and book in, most did, but quite a few just rolled up. At the peak we had thirty seven camp sites comprising of fifty five adults and 7 children. Our amenities blocks handled it very well, yes a breaker popped out now and again but hot showers just kept coming. There were motor homes, large vans, small vans and a variety of tents, all under the trees it looked like a regular commercial caravan park.

Getting rid of the rubbish at WW is always a problem; we have to cart it into town. With such a mass of people staying I arranged for a large skip, along with eight bins to spread around the site, these were taken to the skip on a regular basis and I am pleased to say no rubbish was left around the camp, thank you campers. We also had a quantity of fire extinguishers spread around the camp ready, once again I am pleased to say they were not needed, and thanks to Wally and Steve for their help here.

Tahn will have a short report elsewhere in this newsletter on the overall of the Nat's, but I would like to say the F1C fly off was the biggest and best Australia has ever seen. Five made it through and all put in good times, with 7.20min the winning time.

While on the subject of staying on the field or in the house over night it is **MOST IMPORTANT** that you book in. The reason for this is that it is a sheep farm, and leased to a sheep farmer, who at times is there at night to shoot foxes. If he sees a light he will phone me, if he sees you out doing what you might do in the dark of night you don't want to be the target. He needs to know if anyone is on the property.

The next room of the house to get a make over is the side veranda; it now only needs a coat of paint now to freshen it up. This will have sleeping for four persons, at this stage we have three single beds with one more to come.

Once this room is finished the library will be totally out of bounds for sleeping.

AFFS Championships

These were held just prior to the Nat's, full results will be in the next issue of Free Flight Down Under which is available free by email. To get this publication email Vin Morgan at vinmorgan2@gmail.com. At the AGM the president, Graham Maynard stepped down and Paul Rossiter from WA has taken over the top job.

World Championships 2019

These will be held in Lost Hills CA USA between 12th and 26th October 2019. Selection for team places started on 1/12/2017 and will finish on 30/11/2018 good luck to those who wish to complete. F1B and F1C are being hotly contested and can be anyone to fill the second and third places.

Scale Weekend

Our scale weekend is fast approaching, 6th and 7th July it is always a great weekend of scale activity, along with a social B-B-Q on the Sunday. Last year we had twenty eight cars on the paddock, maybe we will have more this year as it seems to be growing each year. Hopefully there will be some new models in the air. Mark it in your calendar now.

MAAA Conference

This will be held on the 19th and 20th of May. Gary Pope and I will be in attendance so we will be absent from our Friday meeting. There will be an election for a new vice president, Bruce Hoffman the president of CLAS is standing along with one other.

Who Does What in NSWFFS

I was surprised when I was asked this last week. Well for the last TEN years with the exception of the treasurer and vice president, there haven't been any changes.

State Champs NSW & Victoria

These will be held between the 9th & 12th June at West Wyalong, the program is as follows.

NSW Events

Saturday 9th June

F1 A , C & Open Rubber

Sunday 10th June F1B & Open Power

Victorian Events

Monday 11th June F1A & C

Tuesday 12th June F1B

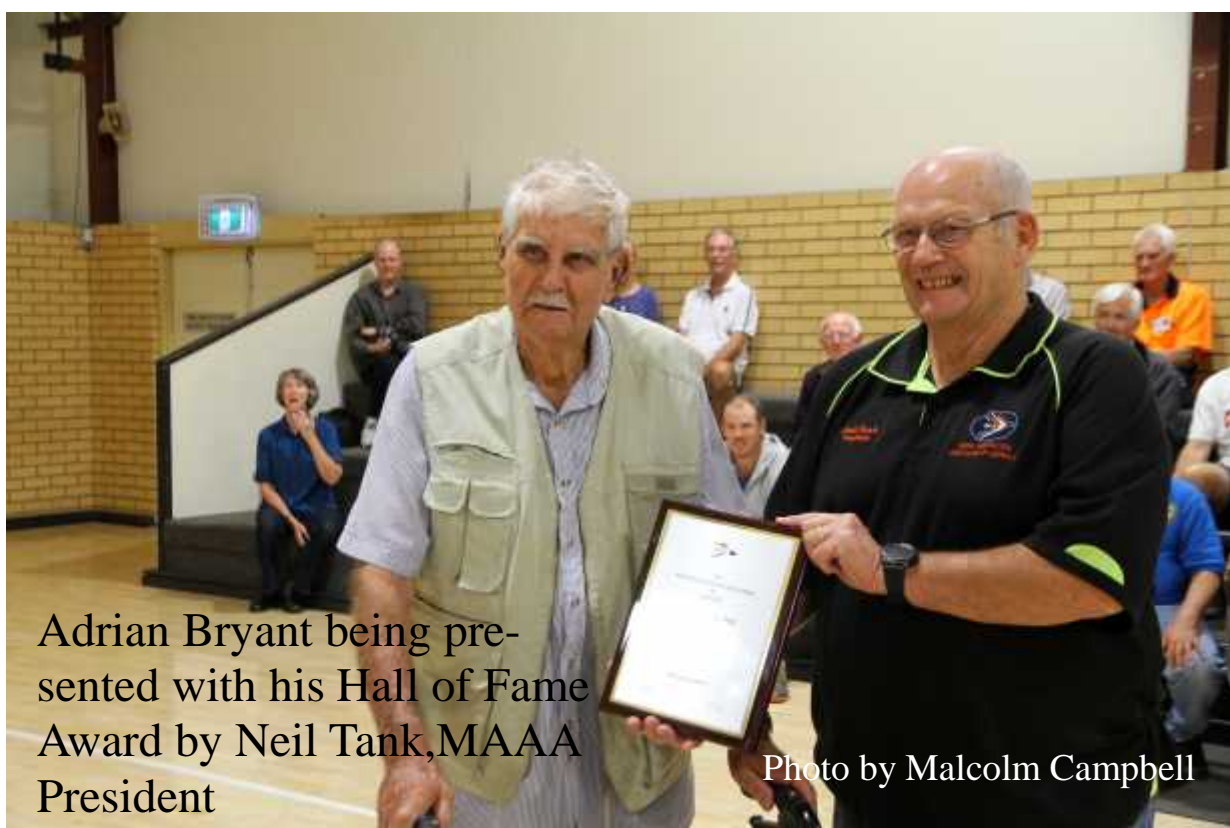

1st rounds will be at 8.00am with fly offs most likely at 7.30 next morning.

A social evening is planned for Sunday night around the backyard fire.

The A B & C events are team trials and should provide a lot of interest.

A, B, C, five one hour rounds, open events three flights.

The CDs on all days will be Dave & Jan Thomas.

Adrian Bryant being presented with his Hall of Fame Award by Neil Tank, MAAA President

Photo by Malcolm Campbell

Adrian Bryant

Adrian was presented with his Hall of Fame Award by President Neil Tank at the opening ceremony night of the National's. Adrian was expecting it at the celebration dinner so it still came as a small surprise, a well deserved award.

Fees

These are due now, as from 30th June you will be unfinancial so get in touch with your club secretary and keep [current with your membership](#)

The 70th National Model Aircraft Championships. 23rd - 30th April 2018.

Well the 70th MAAA Nats have been run and over 80 events have been won.

With over 260 competitors, flying at 6 sites from 9 individual flight lines, it was a busy week in West Wyalong.

Most who travelled to WW for the first time, say it won't be the last and have endorsed the NSWFFS proposal to host the 71st Nats in 2019 at West Wyalong.

Old acquaintances were renewed, personalities from the past remembered and previous Nats celebrated. Much experience was gained and many lessons learned in holding this event, entirely within a 15 minute drive, of such a friendly, centralized town.

With a town population of about 3,500, the influx of perhaps 500 modellers and supporters really had an impact. The townsfolk and the Bland Shire Council staff did a magnificent job in making everyone welcome. This started long before the Nats with provision of gates, roads, culverts and general clearing at the airport and culminated with the Mayor, Tony Lord, declaring the Nats officially open on Monday evening, followed by a Mayoral Reception held at the Council Chambers later in the week.

Neil Tank the president of the MAAA and Rich Hanson president of the AMA along with their wives were in attendance, and made several medallion presentations throughout the week.

The venues themselves proved more than adequate however, all would have benefitted (along with the local farmers) from a few inches of rain in the preceding weeks. Flight Line A, Pylon Racing were probably the most affected by the drought, however the provision of some weed mat and artificial turf, soon had them airborne and battling it out. Excellent effort by Barry Murphy, Andrew Davies, Mick Dallman, Gary Goodwin, Leon Sharpe and others to make this happen.

Flight Line B hosted F5B ably run by the father and son Solanov, F5J by Terry Scoleri and IMAC by Michael Andrysik and others.

Flight Line C at the western end of the main runway, hosted RC Scale with James Price and Craig Bryson leading the way and RC Pattern with Felix Nieuwenhuizen and Tom Collinge at the helm. A special thank you to Jason Starkey president of the NSW Jet Assoc for the hire of their fire tender ute and its driver, plus the protective covers for the runway lights.

McAlister oval proved to be an excellent site for F2B Aerobatics and CL Scale, especially once the automatic lawn sprinklers were reset, with the council mowing the surface on a couple of occasions through the week. Paul Turner did not fly, instead he judged which allowed others to compete, a scenario that was replicated at several events in all disciplines and helped make the 70th Nationals work.

The CL hardstand at the Aerodrome was by all accounts a good racing and speed circle, with a new steel pylon base made by Andrew Heath, who also supplied the official Nats fuel. The Mens Shed cooking steak sandwiches and sausages at the terminal building was a hit with the hungry, and they are planning an expanded menu next year.

Redman oval was also affected by the drought, being a bit bare in places, however Robert Owen and some helpers soon had the Combat sorted much to the delight of the spectators.

The WWMAC hosted an enthusiastic group of Helicopter pilots at the Gun Club field with local club member George Bishop ever helpful and CFI George Atkinson running the show.

The AB field hosted all the outdoor Free Flight events and the Old Timer RC events with an array of CD's scorers and timekeepers, we all owe them our thanks. It was also the site of an excellent moonlit Night Scramble followed by a spit roast BBQ that fed 200 in just on an hour.

Lessee of the property Chris Bush and his crew exceeded expectations and deserved their post dinner beer around the spectacular open fire.

The Celebration Dinner had over 100 attendees including Will Marsh from the Bland Shire Council and Jeff Stien who organized the enthralling slide show. Gary Pope 70th Nats Registrar and MAAA Treasurer was also there and his efforts behind the scenes before, during and after the Nats were indispensable.

If you missed the 70th, start making plans and book your place for 2019 The, MAAA, NSWFFS and all the SIG's that were involved are already discussing how to improve it.

If it is as good as this one, and it should be better, it will be a cracker.

Tahn Stowe
70th Nats Co-ordinator

Adrian Bryant with his Hall of Fame Award
