Minutes of the Annual General Meeting 20 Sep 2020

Nominations had been received for all positions the only change being that of the vice president. Gary Pope has held that position for some years declined, this position was filled by Aaron Booth.

Gary Goodwin submitted the annual treasurers report, this supplemented the President's annual report emailed to members a week earlier. The report shows that we are in a reasonably good financial position. We have been spending wisely and within our means. We have additional commitments for approximately \$11000 and this has been allocated for work at West Wyalong and repayment of the MAAA loan.

Roy asked the members present if they were happy to continue with a similar flying program for 2021, this was agreed. (Consistent with any Covid-19 restrictions)

The 1st West Wyalong Nationals Championships for 2021 was discussed and will be held in July if possible. The same action applies to Wings over West Wyalong in Oct 2021.

The 2020-2021 elected Committee, and their positions.

Editorial September November 2021

We are out of lockdown and can now have our AGM. The proposed date is 19 November 2021. Covid has really put a stop on our flying operations, but the bonus has been many big building sessions and four new Covid Times publications. We hope that the location will be the Dundas Sports Club but if restrictions prevent a reasonable attendance will have the meeting on the field or in a location close by.

Despite that I am sure that our current committee can hold on until then. Even so I must thank all those on the committee for their work and enthusiasm in the positions they hold. It is difficult to single out any one person, but I will mention Aaron for his work on the Covid Times. Not sure where he got his publishing skills, but they have certainly come in handy. Wazza for his face book management, Barry for registrations, Gary for treasury, Phil for scale, John for the WW library, Peter for contests (not much lately), our CFI Mike, Michael T for safety, and finally Roy, as our secretary.

I will now accept nominations for committee positions.

I also thank those not on the committee who work and help in our society to fly, organise, and assist in the week to week running. Thanks to those contributors who gave Aaron something to publish, it is a very sought after 'newspaper'. I don't know of any other club or society who does a similar or professional publication.

Recently our new MAAA president announced changes for the MAAA in Wingspan with a new strategic plan to come. He has distributed a video of self-introduction on You Tube (distributed association wide) then cancelled Wingspan and paused the marketing company which published it. I had hope that a new company would have been nominated by now to help with nationals advertising

On 3 September I received an email from Tyson Dodd. He has submitted his resignation and cited workload and family commitments. Tyson has worked long and hard and provided loyal and tireless service, it is a shame to see him go.

The 1st West Wyalong national championships have been rescheduled for 28 December 2021 to 4 January 2022. The program has some minor modifications, but these do not affect free flight or control line events. We shall wait and see if the champs go ahead without further delays.

I have mentioned the payment of annual fees in our Friday Flyers email, they were due 1 July 2021 Pay now or there is a chance that you will forget and will not be allowed on the field to fly.

That's about all for the moment folks, keep on building, stay safe healthy, vaccinated, and socially connected. I am concerned that we may lose some momentum if we don't stay socially connected. Flying together at Richmond maintains the rage. Be patient we will get there soon.

President NSWFFS
Terry Bond

Next Meeting 19th November

This will be our annual general meeting and hopefully will be held at the Dundas Sports Club. If this is not available you will be notified of any changes. As it is our annual general meeting all job positions are available, now is your chance to take on a very rewarding job in our state body.

Contest Calendar 2022

The 2022 calendar has been done and is in the back of this newsletter. Now is the time to start planning the year ahead. Hopefully we won't have to many lockdowns.

1st West Wyalong National's

This will be held (hopefully) between the 28th of December and the 2nd of January. It will be our third try to hold this event as covid has put a stop on the dates before. The program is in this newsletter, please note the dates. Of importance to those that want to compete in the next world championships in France for F1 A, B, & C it will be the start of the qualifying period where points can be gained.

Covid Times

Aaron Booth has done an excellent job here producing four issues. This has helped keep us in touch with what others have been doing while we haven't been allowed out to play. Mostly all this information happens on the field at Richmond in the show and tell coffee breaks. It was nice to see the photos of what was getting built and that most of us have been active. Well done Aaron and to all those that sent Aaron bits of info to make the Covid Times a success.

Club Assistance Scheme

SAM's club put in an application to the MAAA to extend the shade at the RC field on the AB field. This was approved and the work has now been finished. This makes a total of roof area 18 X 7.5 meters making it much better. We have had fine blue metal (road base) placed under the shade, it would be nice to have this covered in some way, we are open for suggestions.

MAAA News

As Terry has mentioned in the editorial our federal secretary has now resigned. There is a temporary secretary in place and I assume that the executive will be looking for a replacement. This is a paid full-time position, if it is something you would like I would suggest giving your details to the Present Tim Nolan ASAP.

Work at the AB field

We had a working bee there in mid-June. A lot was done with the library, John Pennals had acquired a large quantity of binders for the magazines and most magazines are now in them and on the shelves. Thank you, John it looks, so much better than the old cornflake boxes.

We sorted out the magazines in the container and put out what we did not need, these should have been sold at the nationals in July but of course this did not happen, maybe at the Nat's at the end of the year.

The major work was the backyard of the house, it was suggested at the May meeting that we should make it respectable for when we have large gatherings like the Nat's etc. A plan was formed and put in place. The original backyard toilet which was falling apart was demolished. The small portable building at the RC site was brought over and placed in much the same spot(See Photos Below). This is in the process of being converted into a His & Hers toilet complete with wash sink. George Bishop has done most of the fitting out. The work is not finished as yet but should be soon. The backyard was leveled and about one hundred and thirty tones of crushed blue metal (road base) has been placed and rolled. once again it would be nice to cover this with something, maybe fine river gravel would be nice, once again we are open for suggestions.

SAM's Engines

Gary has now imported about 60 of these lovely little engines. He has been able to keep the price down by buying six or more at a time. We have been making around \$10 on each of these depending on the exchange rate, once again thanks Gary. If you want one of these contact Gary. \$200 or \$220 if it has to be posted.

E-Bay Sales

In the last three months we have been selling kits from the late Dave Owen and some engines that Peter Scott donated, these funds go to improvements at the AB Field. I do have a couple of old timer kits left which I will take to the National's. If you or someone you know has modelling gear that you don't want, tell me.

IPN

I have managed to get what was left of this stock (not a lot). This is the stuff that makes diesels go. There will be no more as production has ceased so get in quick if you want some \$45 per 100mm

HEAVE HO 2021 WORLD POSTAL RESULTS

In the beginning Kevin Brown a school teacher and Hand Launch Glider enthusiast from the UK conceived a world wide HLG newsletter named Heave Ho in the mid 1990's. This proved to be very popular and not long after Kevin started the first Heave Ho world postal glider contest. Kevin's aim was to promote the participation of a low key, hand launch glider fun contest.

So the format of rules allowed for multiple entries held over a one month period and adopting 9 official flights with best 5 scores to count similar to other countries. These rules allow a beginner to drop some poor launches.

Since taking over running the HH contest i have kept this format but allowing the top guns to keep increasing their scores if they make 5 one minute maximum flights. I also introduced Tip Launch Glider category in 2005.

(Already planning for next years 2022 HH with some inovative events and a different month of the year as Australia and New Zealanders were flying in some extreme cold conditions in July, also rules will be made simpler and clearer regarding the number of flights that count but will remain 9 official flights with 5 best scores count.) Kevin Brown after several years editing and publishing HH returned to his other passion recording blues music and live concerts around the world.

NOW the RESULTS - Catapult Launch Glider CLG in order of placements and country.

1/ Paul Squires NZ - 60,60,60,60,60 + 62 = 362 2/ Kevin Barnes NZ - 58,60,60,56,60 = 294 3/ Joshua Finn USA - 57,56,58,58,58 = 287 4/ Ron Pilcher NZ - 57,52,57,49,48 = 263 5/ David Akery NZ - 51,54,50,50,48 = 253 6/ Karen Barnes NZ - 46,46,32,60,57 = 241 7/ Alec Fuller NZ - 50,36,60,39,39 = 224 8/ Graig King NZ - 35,46,45,41,40 = 207 9/ Geoff Hungerford AUS - 50,20,25,25,57 = 177 10/ Paul Allen AUS - 18,29,30,33,60 = 170 11/ Hope Finn USA - 29,31,34,28,35 = 157 12/ Lindsay Muffett AUS - 22,31,19,30,16 = 118 13/ Caleb Finn USA jnr - 15,17,14,14,14 = 74 14/ Rod Brown NZ did not post individual scores.

CONGRATULATIONS Paul Squires, You have won a STING MK2 18" CLG/HLG kit. Paul also had the best total of 9 flights 510 seconds. The NZ flyers dominated this category and i recieved some constructive comments which will make 2022 HH even better and more enjoyable.

HAND LAUNCH GLIDER - 1/ Michael Towell AUS - 55,48,41,54,45 = 243 2/ Joshua Finn USA - 38,39,38,36,35 = 186 3/ Geoff Hungerford AUS - 4,11,3,3,3 = 24

CONGRATULATIONS,

Michael Towell You have won a STING MK2 18"CLG/HLG kit. Michael sent me a photo of his early morning flights with glider landing on frost at a local park.

TIP LAUNCH GLIDER - 1/ Don DeLoach USA - 60,60,43,60,60 = 283 2/ Rod Brown NZ - did not post individual scores

CONGRATULATIONS,

Don DeLoach you have won a STING MK2 18" CLG/hlg kit.

A big thank you to all flyers that made the time and effort to make the 2021 HH a success.
