

# (2016-2017) AFFILIATION NEWS.

Hopefully you are aware of the decision made at the recent MAAA conference to leave NSW structured as it has been for the past 40 years. Unification in NSW is off the agenda until such time as RC, CL & FF agree of their own accord to jointly press for it. This means that those of you who wish to affiliate with MAAA via NSW Free Flight Society (NSWFFS Inc) can continue to do so and that others are also welcome to do so.

Being affiliated through NSWFFS has the following benefits for all kinds of flyers ;

**\*Comprehensive MAAA Insurance Cover for members and compliant models. Including Fixed or Rotary wing Radio Control, Control Line, Space Models and of course Free Flight.**

**\*Managed access to our 700 acre property at West Wyalong featuring :**  
**-RC runway with shade structure & Event centre.**  
**-Male and Female toilets and showers.**  
**-Camping areas with power and water .**  
**-Accommodation in the homestead (subject to bookings).**

**\*We do not discriminate on the basis of your age, gender, religion or what type of model aircraft you fly.**

**\*You are most welcome to attend our bi-monthly meetings held at the Air League Hall Harris Park . See website for details: [www.nswffs.com.au](http://www.nswffs.com.au)**

**\*Our fees are modest ( \$90.00 2016-17) and our Executive and members are friendly and welcoming.**

**\*Juniors join for FREE if accompanied by a senior membership.**

**Please note that we can provide all services required by any flyers who wish to be MAAA affiliated via the NSWFFS Inc.**

**While our primary focus is Free Flight, we provide an alternate path for those RC flyers & CL flyers who wish to follow an alternate path.**
