

# THE FREE FLIGHTER

JOURNAL OF THE NSW FREE FLIGHT SOCIETY INC.

JUL 2026

**A very proud Phil Warren with his 1936 Farman "Moustique"**

## **Bumper Trans Tasman Scale Issue!**

### Meeting opened:

7:30pm – Dundas Sports Club – President Michael Towell

### Present:

Michael Towell, Natalie Beckett, Roy Summersby, Terry Bond, Ray Harvey, Phil Warren, Peter Scott, Bruce Hao, Steve Hughes, John Pennells, Gary Goodwin, Ed and Angie Mahoney

### Apologies:

Warren Leadbeatter, Gary Pope

### Guests:

Gail Scott, Richard Jensen, Kate

### Minutes of previous meeting:

Moved by Ed Mahoney, Ray Harvey sec. Carried

### Business Arising:

- MAAA free flight Nationals. Logo done. Flyer sent out. Approved MAAA funds of \$3000. First bulletin sent out next couple weeks. Nats program and entry form was available to look at.

### Correspondence out:

MAA, Friday notices, Newsletter

### Correspondence In:

MAAA, Responds from Friday email

### Treasurers Report:

1st March to 30th April presented by Roy Summersby

National account closed.

Moved by Terry Bond, Sec Peter Scott, Carried

Copies available upon request

### General Business:

- Report from conference. Extra coverage for model and stuff while travelling to field. This can be covered. Club assistance scheme for RC concrete. Asked for \$7,000 from MAAA. Approved. Fees remain the same as last year. MAAA awards – Terry Bond is now a member of the hall of fame. New Vice president of MAAA, Tony Wilson. MAAA membership number have increased over the past 6 months.
- Motion that fees stay the same. Roy Summersby moved they stay the same for us, sec by Gary Goodwin, Carried.
- Steve Hughes gave update on the Solar Farm at WW. Changed hands and they will continue to give \$5000 each year. They would like to meet up via Microsoft Teams.
- Scale weekend. Entry form is out. Have a 3 from New Zealand coming. Scale judges are needed. Steve for static judging, Reg T, Ed and John P a maybe. Asked MAAA for club activity program for \$1000.
- Working bee at WW before Nationals in October. Roy to come up with date.
- NSW state champs for F1ABC, this weekend. Michael and Nat to CD event.

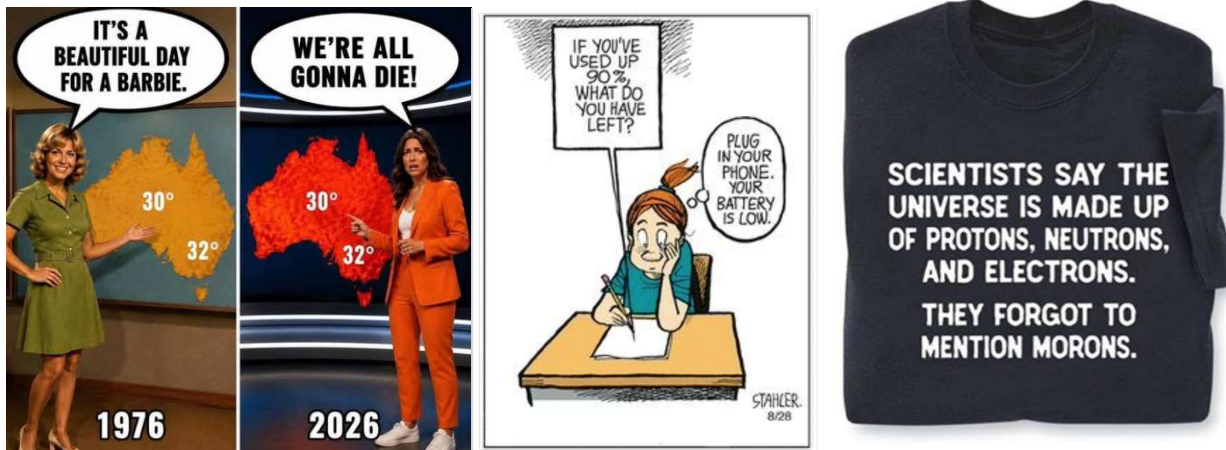

- WW – ladies’ toilets. Talk about putting a wall. Natalie motioned to swap the toilets. Men’s inside the camp kitchen and ladies outside. Roy moved, Terry sec, carried.
- Point score trophy. Roy is currently in the lead.
- WW House is now \$20 per night per person now. Even if form says \$15 it is a typo.
- Ray Harvey made a F1J pinch off and made some for the shop. There are 2 available.

Meeting closed: 8.21pm

2026 Committee:

Terry’s Jokes & Fun Facts:

## PRESIDENTS REPORT – JULY 2026

I know I keep saying it, but the months just keep flying by. And just like that we are already past halfway through the year, where does the time go.

If you are reading this, thank you for renewing your membership, your support means a lot to the NSWFFS. If you aren't reading this..... I guess you'll never know anyway!! lol

We start with the council conference that myself and Roy attended in May. Yes, we have had some money approved for some concrete in the pit area on the RC strip at the AB field in WW. We also got some money approved for the upcoming Free Flight Nationals in October in WW.

Speaking of the Nationals, the first official bulletin will be out this week sometime. There will also be an RC Scale Aero Tow event on the RC strip while we are there. Surely this event is not to be missed. Entry forms and program in this newsletter as well.

Also to come out of the conference was our new Hall of Fame recipient, Terry Bond. With Terry's many years of hard work as NSWFFS President, MAAA delegate, many years of competing, both nationally and internationally and general promotion of free flight modelling. It was only natural that he was included as a Hall of Famer, congratulations Terry.

The Trans Tasman Free Flight Scale Rally, F4B CL State Champs, and Mills Trophy Scramble weekend is now run and done. A lot of work goes into organising this event. I would like to thank Phil Warren, Nat Beckett, Roy Summersby, and of course our judges. It's great to see the support this event gets, pics and report this issue.

Our Combined Mini State Champs and Combined % event was called early due to some rain mid morning. This event will now conclude on July 19, anyone who wasn't there on the original date can still come and fly on the 19th.

Our F1A,B,C, Open Power and Open Rubber State Champs, in conjunction with the VIC F1A,B,C State Champs set for early June in WW had to be postponed until July 25-27 at WW. That weekend was originally the Mini Max Out weekend, that is now scheduled for the Monday, mark it in your calendar.

Garage Sale!! The NSWFFS is a little overstocked with engines, kits, models, handles, lines, wheels, accessories and then some. This will be on Saturday August 15 at my place in Quakers Hill. Add in this issue, and more info to come through social media. If any members would like to help out just let me know.

Michael Towell  
President NSWFFS

## GENERAL NEWS & INFORMATION

### Next Meeting 17<sup>th</sup> July 2026

The next general meeting will be held at the Dundas Sports Club as scheduled starting at 7.30pm. As normal some of us will have a meal there before the meeting, please feel free to join us.

### MAAA News

- \$7000 Grant for concrete at pit area of RC Strip approved.
- \$3300 approved for running Nationals.
- Annual membership/insurance fees to remain the same for next year.
- Hall of Fame and Merit Award recipients to be announced soon!

### MAAA Membership renewals

Well we say it every year, if you haven't paid your fees by now you shouldn't be flying or even attending any flying really. Thanks to everyone who has renewed for the 2026/27 season. About %50 renewed straight away which is great as processing in bulk is easier than one at a time. 30% waited a couple of weeks before paying and the last 19% left it right to the last minute. 1% didn't renew yet or will not be renewing so overall we only are down two Free Flight members from last year at this moment.

### AFFS Championships 2027

The 49<sup>th</sup> AFFS Championships will be held on 18<sup>th</sup> April to 25<sup>th</sup> April 2027. This date is decided at the AFFS AGM and has already been posted on social media. Some folks have mentioned they didn't know the date and/or didn't have any input to the date, and all we can say to this is, make the effort to attend the AGM held during the AFFS championships and you can have your say and you will know the date. If you don't attend the meeting then it is up to you to ask. - Warren Leadbeater - AFFS President.

### HUGE Garage Sale

Coming up 15<sup>th</sup> August at Michael Towell's place. See flyer in this issue! Shop goods are also available ask Roy.

## Trans Tasman Scale Rally 3<sup>rd</sup> July to 5<sup>th</sup> July 2027

Well, our annual Trans Tasman Free Flight Scale Rally weekend is over for another year, and what a weekend we had. Friday dawned with the forecast not looking ideal, and nowhere near ideal it was. By mid morning the wind came up, and late morning it was even too windy for static judging. With only 15 models already judged, at least we had a good head start on the rest of the field.

Saturday morning started out with a blanket of frost and fog, the two biggest signs of a great day ahead. And WOW, were we treated with a GREAT day. With static judging still moving forward and flight judging underway when the fog lifted, we saw over 40 models again this judged and flown between the free flight and control line scale areas. With the quality and detail on the models presented and flown, this event continues to amaze all and sundry to those that attend.

A huge thank you must go to our judges, officials, the MAAA, our New Zealand visitors, our local competitors, supporters and whoever else was there over the weekend. These are the people that make events like this possible, and a highlight for the Free Flight Scale community.

### F4A SCALE

Pos.	Name	Model	Static	Flying	Total
1st	Roy Summersby	Focker D V111	893.1	542	1435.1

## Mills Trophy 1-Hour Scramble Report – Sunday 5th July 2026

The annual **Mills Trophy 1-Hour Scramble** got underway at the civilised hour of **8:00 am on Sunday morning**, with almost dead-calm conditions with just a slight bit of drift, greeting the competitors. It was one of those rare mornings where everyone was quietly wondering whether the weather gods had finally decided to smile on free fliers with some ominous looking clouds in the distance.

A healthy field of **10 starters** assembled for the traditional test of endurance, concentration and mechanical sympathy. The usual suspects were there, including the flying carpet specialists **Andrew Heath** and **Tahn Stowe**, who somehow always seem able to find lift where the rest of us can only find disappointment.

The South Coast's scramble specialists, **Stephen and Albert Bojac**, arrived looking well prepared and ready for battle. **Warren Leadbeatter** made his long-awaited return to Scramble competition, having not flown the event since the AFFS Championships in 2023. While perhaps a little rusty, he was looking remarkably confident—proof that absence really does make the heart grow fonder, even if it doesn't improve your launch technique.

**Peter Norrie** turned up with one of the nicest-looking models on the field, too bad the looks didn't transfer into great flights, while **Peter Scott** brought what appeared to be the fastest stopwatch in Australia, ensuring there was never any debate over his flight times. Representing our Kiwi neighbours was **Paul Squires**, proudly flying the New Zealand flag, and using his ROK "Rise off knees" launch technique. **Karl Mattas** was also there with another model that looked too good for scramble and it appeared to fly well.

Unfortunately, not everyone enjoyed a successful start. **Michael Towell** spent more time trying to convince his Mills engine to start than actually flying. The engine remained completely unconvinced, leaving Michael with the dubious honour of becoming the day's first—and only—**DNS**. Sometimes the engine wins.

Also in attendance was everyone's favourite secret agent, "**007**" **Terry Bond**, who is still recovering from knee replacement surgery. Although not quite ready to resume Scramble duties himself, Terry was kept busy offering encouragement, advice and the occasional expert opinion from the sidelines. Whether anyone actually followed that advice remains classified.

Keeping everyone under control was our fearless Contest Director, **Roy Summersby**. Roy laid down the law before flying commenced with a very stern warning that **models were not to fly into the neighbouring cow paddock**. None of us were quite sure what the penalty would have been—perhaps milking duties or an audience with an unhappy bull—but fortunately nobody was game enough to find out.

About halfway through the contest something magical happened. The gentle drift completely disappeared, leaving every model circling almost directly overhead. For a few minutes the sky was filled with free flight models lazily orbiting above the competitors. It was a spectacular sight and a reminder of why Scramble remains one of the most enjoyable events on the calendar.

Apart from Michael's unfortunate non-start, everyone completed the full hour with remarkably little damage. Warren did manage to provide some late entertainment when his undercarriage departed the model during the final stages of the contest. Thinking quickly, he simply rubber-banded the detached undercarriage **on top of the wing** for the remaining flights to keep the centre of gravity where it belonged. It may not have been an aerodynamic masterpiece, but it certainly proved that in Scramble, if it looks silly but works, then it isn't silly.

I'm not quite sure what happened to Peter Norrie but his very low score indicates he either had a problem or gave up.

When the dust settled, Andrew Heath once again demonstrated why he is one of Australia's premier Scramble fliers, taking a convincing victory with an impressive **2,694 points**.

## Scramble Results

Place	Competitor	Score
1	Andrew Heath	2,694
2	Albert Bojec	2,149
3	Stephen Bojec	1,980
4	Peter Scott	1,932
5	Tahn Stowe	1,684
6	Warren Leadbeatter	1,606
7	Karl Mattas	1,312
8	Paul Squires	1,271
9	Peter Norrie	179
10	Michael Towell	DNS

Congratulations to everyone who competed and helped make another enjoyable Mills Trophy Scramble and thank you to all the time keepers who helped us all cheat, um compete. lol The weather was kind, the flying was excellent, the cow paddock remained model-free, and thankfully the only casualty of the morning was one particularly stubborn Mills engine. – Warren Leadbeatter
